**Additional Agenda Item for the Meeting of the Standing Linkage Committee (Long-Term) for Power Sector**

<b>Agenda Item</b>	<b>Issue</b>
<b>Additional Agenda Item No. 1:</b> Grant of balance requirement of Sagardihi TPS (SGTPP) Stage- III (Unit-5) (1 x 660 MW) of West Bengal Power Development Corporation Limited (WBPDC) as coal linkage	<p>Ministry of Power vide O.M dated 19.11.2024 has requested to consider the request of West Bengal Power Development Corporation Limited (WBPDC) for grant of balance coal requirement of Sagardihi TPS (SGTPP) Stage- III (Unit – 5) (1 x 660 MW) of WBPDC as coal linkage under Para B (i) of SHAKTI Policy. SGTPP Stage-III (Unit- 5) is a under construction brownfield expansion project linked with Deocha Pachami coal block and the commissioning of the power plant is scheduled in March, 2025. Ministry of Power has informed that Deocha Pachami coal block is under development and a conceptual report on coal block has been prepared by CMPDIL which has indicated the tentative PRC of the coal block as 2 MTPA. As per the ACQ norms, the coal requirement of SGTPP Stage-III (Unit – 5) (1 x 660 MW) is 3.385 MTPA (@ G 13 grade). Ministry of Power has mentioned that the tentative PRC of 2 MTPA of Deocha Pachami coal block shall not be sufficient to fulfil the requirement of the unit. Accordingly, Ministry of Power has requested for grant of balance coal quantity requirement of 1.385 MTPA [3.385 – 2] for SGTPP Stage-III (Unit- 5) of WBPDC as coal linkage under Para B (i) of SHAKTI Policy.</p> <p><b>SLC (LT) to take a view in the matter.</b></p>
